Primary School Šmarje pri Jelšah
with six branches

- 6 – 15 years
- The nine-year basic education is divided into 3 three-year cycles.

Primary School Education

Basic school objectives for pupils

- to acquire knowledge and skills according to their abilities and interests;
- to support personal development;
- to develop the ability for life-long learning and further education;
- to develop awareness of belonging to the nation, national identity and cultural heritage;
- to develop respect for human rights, tolerance and acceptance of diversity;
- to develop communication skills in the Slovenian and foreign languages;
- To raise awareness of:
 - responsibility for one's actions, one's health, for other people and the environment;
- to develop multiple skills like innovation, creativity, etc.

SECONDARY EDUCATION

- Enables:
 - entire population to attain general educational qualification and an occupation;
 - the largest possible share of population to attain the highest level of educational qualification, and
 - the inclusion in the European integration processes.

Children with SEND

- Have the option to attend:
 - Mainstream schools and nursery schools
 - Schools offering adapted programmes
 - Units at mainstream schools that follow
 - the adapted programme
 - units at special institutions

SPECIAL NEEDS EDUCATION

- providing equal opportunities, bearing in mind the differences between children;
- maintaining the balance between different aspects of the child's physical and mental development;
- integration of parents into the education process;
- ensuring adequate conditions that enable optimal development of each individual child;
- timely placement into a suitable education programme;
- organization of education as close to the place of residence as possible;
- integrity and complexity of education;
- individualised approach;
- continuity of education programmes;
- interdisciplinarity.

GIFTED AND TALENTED

After being tested and assessed they are offered:

- **creative workshops** (maths, languages, science, drama, etc.)
- **cultural and art visits,**
- **overnight stays with** specially prepared programmes (interactive games, simulation activities, sports activities and socializing),
- **projects.**

Thank you for your attention!
